At groundbreaking

FOR BALLET STUDIO

Attending the New Ballet Ensemble's official groundbreaking ceremony were (from left) Peggy Carroll, director of human resources at BRIDGES; Henry Haizlip, co-owner of Grinder-Haizlip Construction, general contractors for the project; Michael Walker, a principal of JBHM Architects, the architect for the project; and Chirelle Jefferson, director of Future Builders at BRIDGES. The new rehearsal and practice studio will be at 2157 York in Midtown.
